GETTING READY

WHAT TO DO TO CARRY OUT A
MOBILITY PERIOD AT THE NOVA
SCHOOL OF LAW

Registration

The enrolment in curricular units is made exclusively by the Mobility Office based on the Learning Agreement.

Study Plan

Nova School of Law offers a range of disciplines that allow you to master a legal vision, capable of anticipating and solving problems. The international student has at his disposal subjects taught in English, for the undergraduate and master levels, which can be consulted at

LEARNING PORTUGUESE

In Lisbon, there are several educational institutions, which provide Portuguese language courses in Portugal for foreign citizens who study or work in Portugal:

- CIAL - Language Center:
<http://www.cial.pt/>
- UNL Summer Course of Portuguese Language and Culture
- Several courses at FCSH:
<https://ple.fcsh.unl.pt>

HEALTHCARE

SNSP

SNS is a structure through which the Portuguese State ensures the right to health for all citizens. Within the scope of international cooperation, bilateral agreements have been signed between Portugal and other countries, allowing for equal treatment with nationals, in a situation of stay and residence in Portugal.

- For the Erasmus program, it is advisable to have the European Health Insurance Card

HEALTHCARE

COVID 19 - Emergency

You can find updated information regarding the measures taken in Portugal to prevent the COVID19 virus on

<https://www.visitportugal.com/en/content/covid-19-measures-implemented-portugal>

Some measures at the faculty:

- Mandatory use of masks;
- Hand disinfection at the entrance of the facilities;
- Students must respect the physical distance of 2 meters and may only stay inside for circulation, access to classrooms, toilets, or services;

For more information regarding the measures to be taken, please consult the main page of the Nova School of Law where you can see the contingency plan in full.

ACCOMODATION

UNL Residence

The Social Action Services (SASNOVA) currently has three university residences: Alfredo de Sousa Residence, Frausto da Silva Residence, and Lumiar Residence.

DURING THE MOBILITY

THE MAIN STEPS TO TAKE, TO
MAKE THE MOST OF YOUR
MOBILITY PERIOD

Change the Study Plan and the duration of the mobility period:

The change of the Study Plan can be made, provided that the Erasmus+ Coordinators (of both educational institutions) agree with the request for an extension.

This request must be made up to 30 days before the end of the mobility period initially foreseen, by filling in this [form](#).

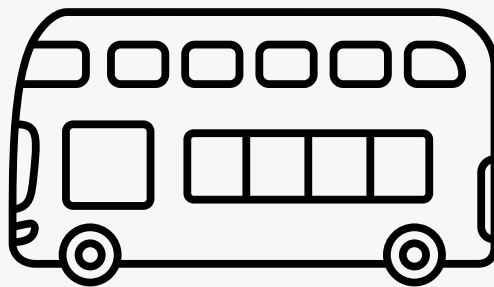

TRANSPORT TICKETS

A monthly pass for public transportation (train, subway, bus, and boat) is available at CP stations.

You can consult the necessary requirements to make it in:

<https://www.portalviva.pt/pt/homepage/cart%C3%B5es/transportes/lisboa-viva.aspx>

If you are under 23 years old, you will be entitled to a reduction in the monthly price of the transport ticket. For that, a declaration is required and will be delivered by the Faculty.

ONLINE SERVICES

Students will receive a user's name and a student password, which will allow access to the student area and moodle.

In the student area (NETPA), it is possible to consult grades, financial information, take the exam registrations, see summaries made available by the teachers, and much more.

Moodle is an online platform, where various information is made available by the teachers of the various curricular units in which the student is registered.

Informatics: face-to-face service by appointment [here](#).
